Help Keep Our Park Healthy & Strong— Finance Future Fun!

How many times a week or a month do you visit Penny Park with friends and family? How many birthday parties do you attend or plan at Penny Park? When your grandchildren visit, where do you like to take them to enjoy the Silver City sunshine?

How many of you enjoyed dancing to Compas, Ripcor, and Captain Cactus outdoors this summer? How about supporting the youth bands that played at regular intervals?

How many new mothers and fathers participate in playgroups held at Penny Park? How many teachers enjoy taking their classes to the park for special activities?

Who thinks it would be fun to build a volleyball court at Penny Park? How about a garden plot with sunflowers and a grove of cherry trees as suggested by a student at Down to Earth School?

How do these things happen? Community members like you make them happen! Penny Park was built with donations of time, money, and materials by people like you, and it continues to operate that way. Like public radio and public television, the more you're able to give the better our park will be!

It's time to do your part in making our community's dreams a reality by renewing or establishing your Penny Park Membership.

Your membership goes to support:

- Maintaining the park, re-sealing the infrastructure, keeping it weed-free and trash-free
- Organizing events like Earth Day and music in the park
- Developing new infrastructure, such as the skateboard park, water play feature, and perhaps a volleyball court
- Supporting Toy Town as an educational, fun play store
- Developing new ideas that come from member-volunteers!
